

NEWSWIRE MEDIA ADVERTISING

Greetings!

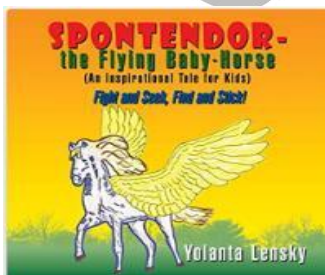

I would like to have this book **exposed** by your reputable company to the reading public so that it **could** be guaranteed to be presented to children who are the target of this book. I know that with the **help** of your company the exposure of this book will be excellently maintained, and it will be shown to the potential buyers.

Yolanta Lensky is a talented writer, a computer designer, and a radio talk host, working in the genre of the Inspirational Psychology for kids.

The book "*Spontendor's Adventures*", written by **Yolanta Lensky** is a trilogy, originally presented in three books, featuring the adventures of Spontendor-a flying Pegasus, a new Superhero for kids. "*Spontendor a Flying Baby Horse*" is good for 5 to 7 years old and "*Fly like Icarus!*" fits for 7 to 12 years old and the "*The flying stuff of the Place of Love*" good for 12 to 15 years of age. The series concludes with Spontendor's most intriguing love story.

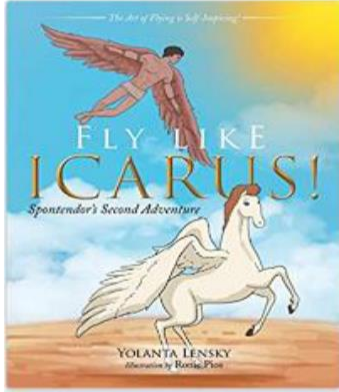

The book is knowledgeable, very inspirational, and technologically friendly. It expands Children's outlook with a special section in the books called, "*To Be Interesting, Get Interested*", imbuing them with a noble desire to explore the unknown and to do the impossible. The main mind-set of the book is "*You can do the Impossible if you make your dream irreversible!*"

The book teaches young children to expand their imagination and knowledge by letting them grow with a **good attitude** and learn how to handle diversities and constant changes in life. The mythological story is full of adventures, fun, and knowledge.

ISBN-10: 1465347747

ISBN-13: 978-1465347749

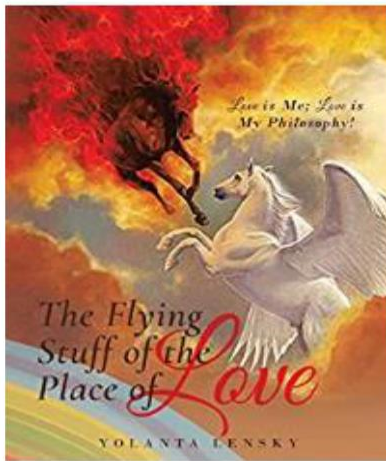

The second book presents Spontendor's second adventure to find out why his friend Icarus who wanted to fly over the Sun was burnt down on his journey. It teaches children to be strong, facing the obstacles and expand their knowledge of life. The mind-set here is ***"Knowledge put to action is Power"***

AVAILABLE ON AMAZON AND OTHER ONLINE RESELLERS!

In this third book of her trilogy, Yolanta invites you to follow Spontendor on his next journey to the unknown - the magic world of love in the name of which Spontendor commits a new brave deed that brings him to his love. Every love story is full of unbelievable challenges that the knights of love must overcome on the path of winning love of the One and the only. Spontendor is now 16 years old, and he is on this path, too, inspired with his new motto: ***"Love is me; Love is My Philosophy"***

In her trilogy that combines all three books, Yolanta enforces strong family values, the love for Mother Nature, and for kid's native country. She skillfully connects the kids to the Artificial Intelligence reality, introducing the creative tools, such as the map, the calendar, a robot-friend, and interesting language games. The book is real fun to read from start to finish!. The mind set here is ***"Nothing is impossible if you make your dream irreversible!"***
